COMPLAINTS PROCEDURE FOR ALL AFFILIATED CLUBS

The following is the process detailing how complaints will be dealt with by all Clubs¹ affiliated to Scottish Swimming.

INTRODUCTION

A complaint² may be made in the circumstances described within the Club's Governance documentation. Any Individual or Body who is the subject of a complaint must be offered the opportunity to be heard in their defence.

The appropriate body to consider the complaint is as follows:

1. For Club constitution and/or rules - the Club
2. For Scottish Swimming Governance and/or rules – Scottish Swimming
3. For safeguarding, vulnerable group protection or criminal offence - Scottish Swimming
4. For drug offences - British Swimming

RESOLVE THROUGH INFORMAL CONCILIATION

Taking time to try and resolve a complaint at the outset results in a quicker and more acceptable outcome for all parties. However, we appreciate that volunteers do not always know the best steps to follow and can often be embroiled in the complaint itself. The informal conciliation service is focused on mediation and involves the following steps:

1. To start the management process correctly, we invite clubs to contact Scottish Swimming's Director of Services for advice on how to proceed (Elaine Mackenzie, 01786 466522/07713 245734 or email @ e.mackenzie@scottishswimming.com).
2. Where appropriate, and providing all parties involved are willing to participate, Scottish Swimming is now offering an independent facilitator to arrange a meeting to work towards informal resolution of the club complaint.

The facilitator will:

- 2.1 Outline the process
- 2.2 Allow each party the opportunity to present their issue and suggest a resolution
- 2.3 Encourage all parties to consider resolutions put forward and to try and agree on a workable outcome
- 2.4 Record the outcomes
- 2.5 Advise next steps

Who should attend the meeting:

- The Scottish Swimming Facilitator
- Complainant
- Complainant's friend, if desired
- Respondent
- Respondent's friend, if desired
- *Club President (or independent club rep)*
- *Club Secretary (or independent club rep)*

For the mediation process to work, we require attendance from all parties

3. If the mediation process is unsuccessful, Scottish Swimming will be happy to talk you through the correct process to file the complaint more formally.

FORMAL PROCEDURE FOR DEALING WITH THE COMPLAINT

If the complaint involves the Club constitution and/or rules a Club Complaints Panel (CCP) should be formed.

If the complaint involves the SASA constitution and/or rules the complainant should contact the Director of Services to pursue the complaint.

If the complaint involves child abuse or other criminal offences the complaint shall be referred to Scottish Swimming's Safeguarding Officer or Chief Executive within 48 hours. Failure to do so may result in disciplinary

¹ Where you read club, please note the same applies to the Districts, Disciplines and Teams

² Where you read complaint, this refers to a club grievance or club complaint

action. The Chief Executive, Safeguarding Officer, Legal Adviser, Director of Services, and the Chair of the Board of Directors shall deal with such cases as appropriate. For such cases no fee is required and the initial contact need not be in writing.

If the complaint involves the use of drugs the complaint shall be referred to the Secretary of British Swimming for action, and no further action taken by the Club under the complaint's procedure. British Swimming shall deal with all cases involving drugs and their decisions in such cases shall be accepted by the Club.

CLUB COMPLAINTS PANEL

The Club Complaints Panel should be appointed from three members of the Management Committee or Club Members who are not all members of the Club Executive.

Panel Membership

No Panel Members shall participate in a hearing in which they have a personal involvement with either the subject matter(s) or the parties to the complaint or be present at such a panel.

One member should be appointed as Chair of the panel and the Club Secretary should carry out the administration for all complaints.

In any case, where a complaint is upheld, the record of any previous transgressions of the person concerned shall be sought by the Chair of the Panel before the Panel considers the imposition of a penalty.

A Panel may make whatever order it considers just, including the imposition of a financial penalty and/or exclusion/suspension for a period.

The Chair of the Panel shall arrange for the decision to be communicated in writing to the parties and the Club within 14 days of the date of the meeting.

The Chair of the Panel at which the complaint is heard shall arrange for a copy of the finding with all the attendant documents to be sent to the Club Secretary for record.

COMPLAINANT (*The person making the complaint*)

A complaint is made to the Club on the appropriate form, which can be obtained by contacting the Club Secretary.

The written complaint must reach the Club not later than 30 days after the incident that gave rise to it, but the CCP Chairperson may at their discretion extend this period up to six months in any case in which they are satisfied that it was not practicable for the complaint to be made within 30 days of the incident.

The written complaint must detail the matter(s) with which the complainant is dissatisfied and the reasons for their dissatisfaction.

RESPONDANT (*The person to whom the complaint is against*)

All Respondents will be given the opportunity to respond to the complaint against them.

They will be sent a copy of the written complaint and then given 14 days to respond to the allegations in writing.

PROCEDURE

Within 14 days of receipt of a complaint, the Club shall send a copy to each of the parties who are involved, and the Chair of the Club Complaint Panel.

The CCP Chair shall arrange the date and venue for the Club Complaint Panel to consider the complaint, which must be within 60 days of receipt of the complaint and shall give the parties at least 14 days notice of the arrangement.

If the CCP Chair becomes aware of any unavoidable circumstances which will prevent a hearing being held within 60 days from receipt of the complaint, they shall have the discretion to extend the period for the hearing to a maximum of 120 days from receipt of the complaint and shall notify the parties as soon as the decision to extend the period is made giving the reasons.

The Chair may seek written or verbal evidence from any person who may be able to help the Hearing.

The proceeding shall be flexible and shall be at the discretion of the Chair who shall ensure that manuscript notes of the proceedings are taken.

OUTCOMES

Powers of the Club

For a breach of its own Rules, a Club may suspend a member from activities wholly within its own jurisdiction provided that before doing so, it informs the member of the alleged offence and the requirements of their governance documentation have been satisfied.

Powers of Club Complaints Panel

Suspensions and fines may be imposed on Individuals by the Club Complaints Panel provided the requirements of their governance documentation have been satisfied.

SUSPENSIONS

A person under suspension shall not participate in any activity organised by the Club or controlled by the Club unless there are any exceptions detailed within their governance documentation.

Where appropriate a person may be given a limited suspension provided the limitation(s) are clearly defined (e.g., a person may be suspended from all competition activities but allowed to continue in training and administration activities).

An eligible competitor taking part in competitions, exhibitions, or demonstrations with someone whom they know to be under suspension may themselves be suspended.

Suspensions by the Club Complaints Panel shall be binding on all Clubs and Districts of Scottish Swimming.

Suspensions and the lifting of suspensions shall be reported to Clubs, Districts and Scottish Swimming as appropriate.

FINES

Fixed fines published annually in the Club Information Booklet/Club Notice Board shall be imposed on all Individuals by the Club Standing Committees as appropriate.

Fines may be imposed on Individuals by the Club Complaints Panel. The value of the fine will be as determined by the Club Complaints Panel.

When a fee or fine (not subject of an appeal) due to the Club has not been paid the Club can, after due warning, suspend the Individual until payment is made.

APPEAL PROCESS

There is LEAVE TO APPEAL against a decision taken by a Club, or any individual(s) or organisations empowered to act on behalf of the Club.

An Appeal shall be made by lodging the appeal with Scottish Swimming no later than 14 days after receipt of the written notification of the decision. The appeal fee must be sent along with the appeal.

In dealing with Appeals for a decision of a Club or the Club Complaints Panel the appropriate Body to consider an appeal will be Scottish Swimming.

Decisions arising from the normal course of business of a Club on administrative and technical matters, appointments and selection of teams may not be the subject of an appeal.

When Leave to Appeal is made, the decision against which the appeal is being made shall be suspended, except in exceptional cases which shall include but not be limited to circumstances where Child Protection is an issue. For the avoidance of doubt the Company will decide whether or not the case is an exceptional case for the purposes of the forgoing sentence.

COACHING PHILOSOPHY AND SELECTION PROCESS

Coaching philosophy

“Our coaching philosophy is to build a culture of learning, professionalism, commitment, challenge and independence. Artistic swimming is fundamentally a team sport. We will champion a positive, respectful and hardworking attitude, the ability to work as a team and appreciate each team member, in order for each individual to become the best artistic swimmer they can be.”

We hope that this will not only help support all athletes in becoming the best artistic swimmer they can be but will also develop life skills that will serve them in their future lives beyond artistic swimming.

How can we all support this philosophy?

Coaches:

- Championing best efforts*
- Communication with athletes and parents
- Holding team building exercises
- Providing opportunities for independent learning
- Providing an environment for learning and challenge
- Planning, reflecting and evaluating training and competitions

Athletes:

- Commitment to attendance
- Championing best efforts*
- Communication with the coaches
- Open to and ready for learning and challenge

Parents:

- Supporting the commitment to attendance
- Championing best efforts*
- Communication with athletes and coaches
- Providing opportunities for independent learning

**‘Best efforts’ refers to: concentration, positive attitude, work ethic and trying to achieve the best outcomes for each session.*

Selection process

It is the club’s aim that every swimmer will have the opportunity to swim in at least one competition every year. This means that the club will ensure that all swimmers are in a combination team. Combination teams in the recreational category will be determined by grade level. Competitive combinations will come only from the age group squads. Age group swimmers will also have the opportunity to swim in a free team and in duets and solos, but there may be a selection process for each of these.

Selections for routines and squads is one of the most challenging areas for athletes, coaches and parents. An understanding of the process and criteria is crucial for all parties. This is the purpose of this document. The information below is intended as general guidance for coaches, parents and athletes with regards to selection.

1. Selection to age group squad

All swimmers with the required grade for the Scottish Nationals figure / team section will be invited to be in the squad at the beginning of the year. They must be able to train with the required intensity and commitment. They can decide to remain in a recreational team if they do not wish to be in the squad.

There may be an opportunity to move into a squad after the first grade assessment day of the year. It will not be possible to move into a squad after the second grade assessment day as it is too late in the year to start learning routines.

Each age group squad will be working on a free team (if there are enough swimmers), a combination routine, duets and solos. The primary routine is the free team. All swimmers must put their best efforts* into this routine. If a swimmer is struggling with more than one routine, they could decide not to do a duet or solo, or even the combination routine. However, if they decide that the free team is not for them they must withdraw from the age group squad and move to a recreational group. The club has a large recreational section and it is not seen as a negative to move into it. It may also be necessary due to an increase in other commitments or an injury, for example.

2. Selection for competition

The purpose of selections is to try to achieve an optimum performance and development of skills in a target competition.

2.1 Selection for the free team

For each competition the scenario of the team, swimmers, routine and external factors are completely unique. Therefore it is crucial that coaches draw upon their experience and expertise to make the decision they feel is appropriate, based on these factors, and the selection criteria below. It is likely that different combinations of swimmers will swim in the team at different competitions.

In training before selections, swimmers may alternate in and out of pattern. We encourage alternating places in training to develop more skills (picking up counts and patterns quickly, adaptability) and provide everyone the opportunity to practice the routine in pattern. Please be aware that the ability to alternate is a skill, and that places in training do not necessarily indicate places at a competition.

2.2 Selection to final ten

If there are more than ten swimmers in an age group squad, the figure scores so far that year will be ranked and normally the top ten will be selected as the final ten to be entered into the competition for the free team. Please note that injury, illness, exams, etc may mean that someone in the top ten is not able to compete and will be excluded from the selection.

2.3 Selection to final eight

The decision as to who will be in the team at the competition will be based on the following criteria:

Figures, including recent performance in figures in training and competitions (this makes up 50% of a total score at Age Group competitions). *NB. In a Senior or combination event this will not be considered as the routine is 100% of the score.*

Routine skills in training, competition and selection swims (this makes up the other 50% of the total score at Age Group competitions) including:

- Height in figures
- Height in eggbeater and head first boosts
- Manner of presentation
- Pattern awareness
- Accuracy and sharpness of movement
- Synchronisation
- Flexibility
- Fitness
- Highlights, such as lifts
- Extension

Personal skills: Contribution to a positive team dynamic, attendance, positive attitude, work ethic, ability to make corrections quickly, concentration and trying to achieve the best outcomes for each session.

The three above areas will be evaluated when deciding which swimmers will perform.

Following a selection, athletes will be informed as quickly as possible as to whether they have been selected. If not selected, the coaches will communicate their individual strengths and main areas to develop, to understand what they need to do to be selected in future.

The decision will be made by the team coaches and the Head Coach. Their decision is final regarding any selection decision and any amendments.

Following selection, best efforts* must be made in training sessions. If lack of attendance or effort becomes detrimental to a routine, a change in selection may be required. The team can change up to the day of competition.

2.4 Reserves

Reserves will be expected to fully commit to training. They will be expected to attend competitions if there is a figure section. If there is not a figure section one reserve is expected to attend the competition, although both are welcome to attend for their development.

There is a lot of learning that takes place as a reserve athlete and it can really cement skills that help the swimmer in the following competition / year.

Reserve swimmers train and prepare in exactly the same way as the rest of the team because they are part of the team. Reserve swimmers are some of the most important members in the team. They need to know the counts to multiple places in the routine. This means in training they will swap in and out of different places and become experts in the patterns and counts.

If one swimmer is injured / ill at a competition, the reserve athlete is needed to swim their place. This ensures that the team can swim their routine as choreographed and not incur a 0.5 point penalty. This is quite a common occurrence.

Reserve swimmers experience the competition in the same way as the rest of the team – training, walking through and preparation right up until the swim, and they stand next to the coaches during the performance to show that they are part of the team that contributed towards this. They gain lots of experience by being at the competition. Reserve swimmers may receive medals if the team is awarded one, because they are considered a crucial part of the performance.

Duets and solos

Competitions differ in their duet and solo entry criteria. Some have a maximum number per club or age group, some need to qualify based on their figure score at the competition. The club views duets as more important than solos.

Duets and soloists need to choreograph their own routine in all age groups. Unfortunately coaching time is very limited and the majority of the coach's time must be spent on the team routines and figures / elements. As well as some duet and solo coaching time, the club aims to provide some sessions for swimmers to work on their own or with a poolside volunteer but this cannot be guaranteed. It is therefore recommended that duets and solos are also worked on in the swimmers' own time. Coaches will determine the appropriate allocation of their coaching time for each upcoming competition and will communicate that to the swimmers. At the beginning of the year the coaches will determine what is needed for each competition and will discuss with each swimmer whether they would like to do a duet and / or solo, and what the likelihood is of them getting a swim during the year.

Duet pairings will be based on:

- age
- figures, routine skills and personal skills (as above)
- how well the swimmers match whilst performing
- the availability of the swimmer to attend training sessions and work together outwith training

Swimmers do not have to take up the opportunity to do a duet or solo. For some swimmers having a free routine and a combination routine is enough.
